THE THIEF

Tjuvholmen (Thief Islet) used to be a haven for smugglers, thieves and scoundrels. Today it is home to a modern hideaway – right in the middle of downtown Oslo. THE THIEF has filled this retreat with top international art pieces, carefully selected designer furniture, global Nordic cuisine, cosmopolitan bars and a top quality spa. A sanctuary has never felt so comfortable and secluded, yet connected.

THE THIEF

Facts

- 1 – All year around you can enjoy refreshing dips in the sea at the Tjuvholmen beach nearby.
- 2 – We have an unique agreement with our neighbor Astrup Fearnley, allowing the hotel to borrow artworks from the museum's collection to be displayed at the hotel.
- 3 – As a guest at THE THIEF you have the unique opportunity to go for a cruise in the beautiful Oslo Fjord in one of our two Riva boats.
